

CHRISTMAS 2026

Santa is taking calls.

He keeps a telephone by the workshop door. Ring it and Santa answers: he asks who's calling, whether they've been good, and what's top of the list.

FREE · ONE CHAT PER PHONE

- 1 Ring the number. Santa picks up.
- 2 Tell him your name and how old you are.
- 3 Tell him what's top of your list.
- 4 About two minutes, then he's back to the elves.

FOR GROWN-UPS

Santa can ring your child by name.

Tell the elves what they've been up to and Santa rings your mobile at a time you choose. He praises the thing they actually did, hears the wish list and answers their questions. The first call is free.
